Preface

Now that we have graduated we have crossed the bay and we will now be on our own to cross the ocean. How we go about fulfilling our goals and what our goals are, will determine if we successfully cross this ocean which lies ahead of us.

Aristotle once said "All men seek one goal--success and happiness". Each one of us hopes for success in his own life and yet it is an elusive will-of-the-wisp that can be found only if it is not sought. Success is never a goal in itself. The aim of it is always happiness. Only a man at peace with himself can hope for happiness and so the goal of each of us should be the attainment of inner peace.

Inner peace can be achieved only by fulfilling all our responsibilities toward man. These responsibilities are not toward helping ourselves, but toward helping our fellowman. These range from fighting against prejudice, dislike of people unlike ourselves, to fighting a welfare and preservation of a nation. Therefore, to gain a personal happiness we must work unselfishly for others. "No man can live happily who regards himself alone, who turns everything to his own advantage. You must live for another to live for yourself."

This year, we are dedicating our yearbook to two outstanding and deserving people. They are Mrs. White, our school secretary and Mr. Roy, our Biology teacher.

Dedication

Mrs. Priscilla White

Our School Secretary

Greeting us each morning with a cheerful smile, is our school secretary Mrs. White. With a willingness to help anyone, Mrs. White will put her best effort forward to helping you solve your problems. An exceptional efficient secretary, she has been Mr. Lorenzi's "right hand man," since 1961.

Her laugh and smile are familiar, "Give her a typewriter, a telephone, and a problem; she's content." Let the office become noisy and she's very disturbed. Being the office secretary means real work, and there's plenty that Mrs. White does in the Jay High office.

Our admiration and thanks now go out to Mrs. White for her valuable service to Jay High School.

Mr. Paul Roy

Our Biology Teacher

Mr. Roy graduated from Jay High School in the class of 1959 and Farmington State Teachers College in 1963. He is married to the former Cleo Robinson and they have a daughter, Raeleen. He is our biology teacher, assistant football coach and golf instructor, Mr. Roy has been a member of our faculty for the past four years and has done an excellent job as a teacher. Interested in his subject, he presents his material in a way that is most interesting to his students. Tolerant of slow learners he encourages them to ask questions.

He shows a personal interest in his students in his classes, and in extra-curricular activities. As our assistant football coach, Mr. Roy has displayed his sincere interest in his students in his players. He has strived to teach his boys on the football team good sportsmanship, and has taught and pointed out the importance of working as a team.

So at this time our appreciation and thanks go out to you Mr. Roy.

Freshman News

Homerooms 1 and 5 would like to report their progress of the year. We have been well represented in this year's activities.

Freshman week, in October, ended with a terrific Freshman Reception. Following this we elected our class officers and student council representatives who are: President, Raymond Moreau; Vice President, Susan Ouelette; Secretary, Vicki Crockett; Treasurer, Ken Richards; Student Council representatives, Rosie Trask and Kathy Gagnon.

Many Freshman boys participated in sports. We had 8 football players and 9 basketball players. 5 Freshman girls were also on the basketball squad. Two Freshman, Penni Jewett and Louise L'Italien, were chosen as substitute majorettes.

We Freshman are proud to say that three of the six junior varsity cheerleaders are Freshman. They are Nancy Ouelette, Kathy Gagnon, and Debbie Houle.

Our class came in as first runner-up with Penni Jewett as our Football Queen candidate. We chose La Rena Barnaby as our Carnival Queen candidate.

We are now busy rehearsing for our Freshman one-act play directed by Mr. Plaisted.

The Freshman class hopes that next year it will be as progressive as it has been this year.

In Memoriam

To

Mrs. Adrienne Bennet

"The Rose Still Grows Beyond The Wall"

Near shady wall a rose once grew,
Budded and blossomed in God's free light,
Watered and fed by morning dew,
Shedding its sweetness day and night.

As it grew and blossomed fair and tall,
Slowly rising to loftier height,
It came to a crevice in the wall,
Through which there shone a beam of light.

Onward it crept with added strength,
With never a thought of fear or pride;
It followed the light through the crevice-length
And unfolded itself on the other side.

The light, the dew, the boradening view,
Were found the same as they were before;
And it lost itself in beauties new,
Breathing its fragrance more and more.

Shall claim of death cause us to grieve
And make our courage faint or fall?
Nay, let us faith and hope receive;
The rose still grows beyond the wall,

Scattering fragrance far and wide,
Just as it did in days of yore,
Just as it did on the other side,
Just as it will forevermore.

Jay High School Welcomes You Back to Your Family and Friends

Pvt. Charles E. Craft
Class of 1960

Ask the typical high school student what he thinks about the war in Vietnam and his answer will be, "What I think about It?. . . "I don't think about it!" No, he doesn't think about it because if he did he might think about our soldiers eating dehydrated food, brushing off malaria mosquitos, and seeing close friends lying in puddles of lifeless blood. No, the war and all its harsh realities are only brought home to us when a casualty lists includes young men from our cities, county, and state. That was the case when a young soldier from North Jay, Private Charles E. Crafts, was taken prisoner 26 months ago.

However, since this case didn't end up as another casualty figure this story has a happy ending. We share the happiness of Mr. and Mrs. L. Bradford Crafts in the release of their son, Charlie, February 7, 1967. He and a companion were released and two weeks later both walked into an American outpost.

A 1960 graduate of Jay High School, Charlie was active in school affairs. Not only did he hold the class office of vice-president in his senior year and the office of secretary in his sophomore year, but he was also an active participant in basketball, football, and Jay Club.

For his outstanding service to his country, our thanks now go out to Pvt. Charles E. Crafts.
